2.3. data protection request

Purpose of data processing	Exercising data subjects' rights pursuant to Article 15-22 of the GDPR: You may submit a request in relation to data processing related to the purchased ticket, product or related activities of Controller, as well as your rights described in the GDPR. Controller answers your inquiry within 1 (one) month the latest, unless there is any justification to extend the deadline.
Processed data	- name of data subject, - place, date, method of submitting the request, - e-mail address of data subject, - request of data subject, all information that may be considered as personal data, - other personal identification data, information that are necessary to satisfy such request, - the replay of Controller and all its attachments
Legal basis of data processing	Pursuant to Point f) of Article 6 (1) of the GDPR, it is the legitimate interest of Controller as data controller to satisfy its obligations as data controller specified in the GDPR with regards to the following: Pursuant to Article 12-14 of the GDPR, all data subjects, thus, you are also entitled to exercise the rights of the data subject in connection with the processing of his/her personal data, as well as to request Controller to restore the lawful situation if, in a specific case, he/she would raise well-grounded objection in relation to the data processing. As detailed in this Privacy Policy, too, all data subjects may request – access to his/her personal data, – correction of his/her personal data, – deletion of his/her personal data, – limitation of the data processing, – portability of his/her personal data, – may protest against the processing of his/her personal data.

	No matter which right of data subjects is concerned with the request, Controller shall inform you without unjustified delay, but in any case, within one month reckoned from the receipt of the request of the measures made based on the request in accordance with Preamble (59) of the GDPR. If necessary, taking into account the complexity of the request and the number of requests, this deadline can be extended by two more months. However, Controller shall inform you about the extended time limit within one month reckoned from the receipt of the request, indicating the causes of the delay. If, however, Controller cannot make measures based on your request, it shall inform you without unjustified delay, but in any case, within one month reckoned from the receipt of the request of the reasons of the omission, as well as of the fact that you may submit a complaint at the National Authority of Data Protection and Freedom of Information and exercise your right for judicial remedy, before the tribunal competent as per your permanent address or residence (you can find out the contact details of the courts at the following link: http://birosag.hu/torvenyzek). If, however, Controller has well-grounded doubt about your identity in your submission of your request to exercise your data subjects' rights, it may ask you to provide further information to confirm your identity. If Controller proves that it is unable to identify you, it can refuse to fulfil the request aimed at exercising data subjects' rights. As a main rule, information and measures related to data subjects' requests are free of charge. If, however, Controller proves that the request is obviously ungrounded or is – especially due to its repetitive nature – excessive considering administrative costs associated with providing the requested information or making the requested measures, reasonable fee may be specified to do so or may refuse making measures based on the request.
Duration of data processing	Controller stores the inquiries and the copy of the reply for 5 (five) years and presents them to supervisory authorities upon request.
Addressees	Third persons affected by the resolution of the case, of whom precise information can be provided on a case-by-case basis, upon specific request. In case the data subject seeks remedy in relation to the complaint or the reply of Controller, data are transferred to NAIH or courts as noted above.

Data security

Controller shall ensure the security of the personal data and shall implement appropriate technical and organizational measures to ensure that the collected, stored and processed data are protected, in addition to preventing destruction, unauthorized use, and unauthorized alteration of the data. Controller shall furthermore notify third parties - to whom the data subject's information is transferred - that they are obligated to meet the data security requirements.

Controller shall ensure the prevention of unauthorized access to personal data, as well as the publication, transfer modification or erasure thereof.

Controller shall impose the aforementioned obligation onto its employees taking part in the data processing, as well as the data processors acting under the authority of Controller

The rights and legal remedies, complaints of data subjects

Pursuant to the GDPR, during the data processing, you may request access to the personal data and may request information about data processing (which shall be provided by Controller within no more than 1 month), may request rectification of personal data, erasure under certain conditions, or the restriction of data processing, and - when the legal basis for data processing is performance of a contract - you have the right to data portability. When the legal basis for data processing is legal interest, you have the right to object.

You can read further information about the rights in the ***General privacy regulation*** under the ***Festival policy and general terms*** menu of the websites.

If you feel that Controller has violated any of the legal provisions applicable to the data processing, please, contact us first, using any of the above contact information, or at the following email address: adat@nagyonbalaton.hu. If this proves to be unsuccessful, you may initiate a proceeding of the **Hungarian National Authority for Data Protection and Freedom of Information** (Nemzeti Adatvédelmi és Információszabadság Hatóság, NAIH, seat: Hungary, H-1055 Budapest, Falk

Personal data related to children and third persons

Persons under 16 may not submit their personal data, except if they have requested permission from the person exercising parental rights. By providing your personal data to Controller, you hereby represent and warrant that you act according to the aforementioned, and your legal capacity is not restricted with regards to the providing of data.

If you do not have the right to independently provide personal data, you shall acquire the permission of the appropriate third party (i.e. legal representative, guardian, other person – for instance consumer - you are representing) or provide another form of a legal basis to do so. In relation to this, you shall be able to consider whether the personal data to be provided requires the consent of a third party. It may happen that Controller does not get into contact with the data subject, therefore, you are responsible for meeting all the necessary requirements and Controller shall not be liable or bear any responsibility in this regard. Nevertheless, Controller has the right to check and verify whether the proper legal basis is provided for the handling of data at all times. For example, if you are representing a third party – for instance a consumer – we reserve the right to request the proper authorization and/or consent of the party being represented with relation to the matter at hand.

Controller shall do its utmost to remove all personal information provided without authorization. Controller shall ensure that if Controller becomes aware of this, such personal information is not forwarded to any third party or used for Controller's own purposes. We request that you inform us immediately via our aforementioned contacts if you become aware that a child has provided any personal data about himself or herself, or any other third party has provided any personal data of you unauthorized to Controller
