5. The following legal persons will be able to access the processed data:

Netpositive Számítástechnikai Szolgáltató és Kereskedelmi Kft. (H-2021 Tahitótfalu, Pataksor u. 48., company registration number: 13-09-104997, tax number: 12643565-2-13), as processor, providing the runtime environment of the Platform, which has access to the following data in relation to this task: email address; language; time of registration; the email address of the third party, to whom the User wishes to send the ticket; arbitrarily chosen name of the third party specified by the User; name linked to the bank account of the User or a third person designated by the User; bank account number/IBAN of the User or a third person designated by the User; user disposals.

FRONTSIDE Számítástechnikai Szolgáltató és Tanácsadó Korlátolt Felelősségű Társaság (seat: 2735 Dánszentmiklós, Irsai út 85.; Company Registration No.: 13 09 104428) developer and operator of the application and the background system, which has access to the following data in relation to this task: email address; language; name(s) of the performer(s) marked by the User as favourite for the festival concerned.

Auth0, Inc. (10800 NE 8th Street, Suite 600, Bellevue, WA 98004, U.S.A., hereinafter referred to as: Auth0), as individual controller, providing for registration and login, which has access to the following data in relation to this task: email address; language; the User's IP address, time of registration, login and logout

The Controller declares that the data will only be stored on servers located within the European Union.

Your e-mail address will be transferred to the Contracted Partner (ticket distributor) from whom you have purchased your ticket, but to whom you have not provided any contact e-mail address.

The Controller informs you that if, on a given website, you have given your consent to your profile picture being displayed on other sites and platforms, then such picture may be automatically displayed in the user account you create with the registration. The Controller will not store or process such photo, and it will only be processed by Auth0 as an individual controller; the Controller will not be liable for the lawfulness of the processing of such photos in any event.

The Controller will not transfer personal data to Auth0.

7. Information regarding consent

Provision of the data is voluntary. It is not mandatory for you to provide your personal data, but without doing so, you will not be able to register and create a user account. You are not obliged to provide the email address and arbitrarily chosen name of a third party, but without doing so, you will not be able to transmit the selected ticket. By registering, you expressly give your informed consent to the Controller's processing of the personal data specified in this Privacy Notice and provided by you related to the performance of the tasks related to registration/creation of the user account, and the transmission of the same to parties involved in the provision of facilities for registration/creation of the user account and operation of the Platform. If you consent to the processing of the personal data by the Controller, the Controller will store your personal data in its database. The personal data may be accessed by the persons involved in the provision of the registration, the user account and the Platform, as well as the persons performing the related technical and staff-related tasks.

The Controller will not transfer personal data to third countries.

8. Data security

The Controller will process the personal data recorded by it in accordance with the provisions of the effective legislation. The Controller warrants that the processing will be in compliance with the effective legal provisions at all times.

The Controller will ensure the security of the personal data, implement appropriate technical and organisational measures to ensure the protection of the collected, stored and processed data, and prevent the destruction, unauthorised use, and unauthorised alteration of the data.

The Controller will prevent unauthorised access to, as well as the unauthorised disclosure, alteration or erasure of personal data.

The Controller will take all reasonable measures in order to prevent damage to or destruction of the data. The Controller will cause its employees involved in its processing activity, as well as Processors acting on its behalf to comply with the aforementioned obligation.

9. Rights, remedies, complaints

Pursuant to the GDPR, the data subject has the right to request access to his or her personal data, to request information regarding the processing (which the Controller must give within 1

(one) month at the latest), to request rectification or if the legal basis of data processing is consent the deletion of the personal data (erasure does not affect the lawfulness of the processing conducted based on consent prior to the withdrawal of the consent), or to request restriction of the processing. When the legal basis for data processing is legitimate interest, you may object to the processing of your personal data. The right to request deletion may not be exercised in relation to data, the processing of which is based on fulfilment of contractual or legal obligation or lawful interest. Such data shall be deleted off course, once the term specified for the processing expires.

If you consider that the Controller violated any of the legal provisions relating to data processing, please contact primarily the Controller at the above contact addresses or the adat@nagyonbalaton.hu email address. If this proves to be unsuccessful, you may initiate the proceeding of the **Hungarian National Authority for Data Protection and Freedom of Information** (*Nemzeti Adatvédelmi és Információszabadság Hatóság*, seat: 1055 Budapest, Falk Miksa utca 9-11., mailing address: 1363 Budapest, Pf. (P.O. Box): 9., email: ugyfelszolgalat@naih.hu) or turn to **court**.

The Controller will not apply automated decision-making or profiling in the scope of this processing, given that this processing is based on your explicit consent.

10. Liability

Please note that Auth0 is an individual controller, and the Controller will not be liable for the processing activities conducted by them.

The Controller will not be liable for any temporary inaccessibility of the website containing this Privacy Notice due to technical reasons. The Controller will also not be liable for malfunctions arising from circumstances outside its control (such as technical malfunctions or interruptions of the internet network) and their consequences.

Auth0 will be individually liable for its own processing activities.

Auth0's privacy policy is available at the following website:
